

Ethics require that Sinclair provide equal time for a positive ad on Mr. Kerry's behalf. This program is a 60 minute advertisement for the Bush Cheney campaign. Its simply unfair that Sinclair won't provide the same amount of airtime to provide a positive message about Mr. Kerry. It is your job as the delegates of the American people to uphold basic moral values. Please urge Sinclair to either provide equal time for a positive message about Mr. Kerry or remove the anti-Kerry program from their schedule.
